Urantia Foundation Trustees:

You have denied our past contact with you that would have assured a continuation of our guidance as it once existed with Urantia Foundation in the early days. This is to you a warning.

Your plan to remove the Peacemaker from the Board of Trustees along with those Trustees who have been denied participation in your affairs has been vetoed by the Revelatory Commission of the United Midwayers of Urantia and has been upheld by the high courts of Urantia. Your reasons for his removal have no merit.

Cease and desist immediately. Bring harmony and peace to the Board of Trustees or Urantia Foundation will lose its fiduciary trust of the Fifth Epochal Revelation to Urantia. It has been so adjudged.

No other warning will be forthcoming.

I pray your decisions are wise.

I am a Vicegerent Messenger of the Most Highs of Edentia serving on Urantia for this purpose in the new millennium.
